EXPERIENCE

NOV 2014 MAR 2017

UX DESIGNER
AMA (Alberta Motor Association)

I worked on a multidisciplinary team in an agile environment creating user flows, wireframes, and high fidelity mockups, as well as creating prototypes and helping conduct user testing.

I worked on UX and front-end development for AMA's numerous web applications and online services for both desktop and mobile environments.

OCT 2014 PRESENT

FREELANCE UX DESIGNER
Working with companies large and small, I have designed and created experiences for websites and mobile applications.

MAR 2014 SEPT 2014

INTERACTION DESIGNER
Media Plus Advertising

Created responsive web designs and email campaigns for leading Ottawa clients including Bluesfest, CHEO's Dream of a Lifetime Lottery, the Redblacks, and Ottawa Tourism.

MAY 2013 DEC 2013

UI & UX DESIGNER
Algonquin College's Applied Research and Innovation Department for the Solar Decathlon and Signority Projects

Worked on an award winning mobile application that controlled a solar house.
Designed the UX and interface of a web application that allowed people to sign documents online securely. Conducted co-discovery learning user testing, and implemented UX changes based on the results.

EDUCATION
